How to get to the Posner Lab by Public Transportation

From the Etterbeek train station or Tram/bus stop near the Etterbeek station, take the red route:

If you follow the red route, you will come to a corner that looks like this (in front of the **Building B** entrance):

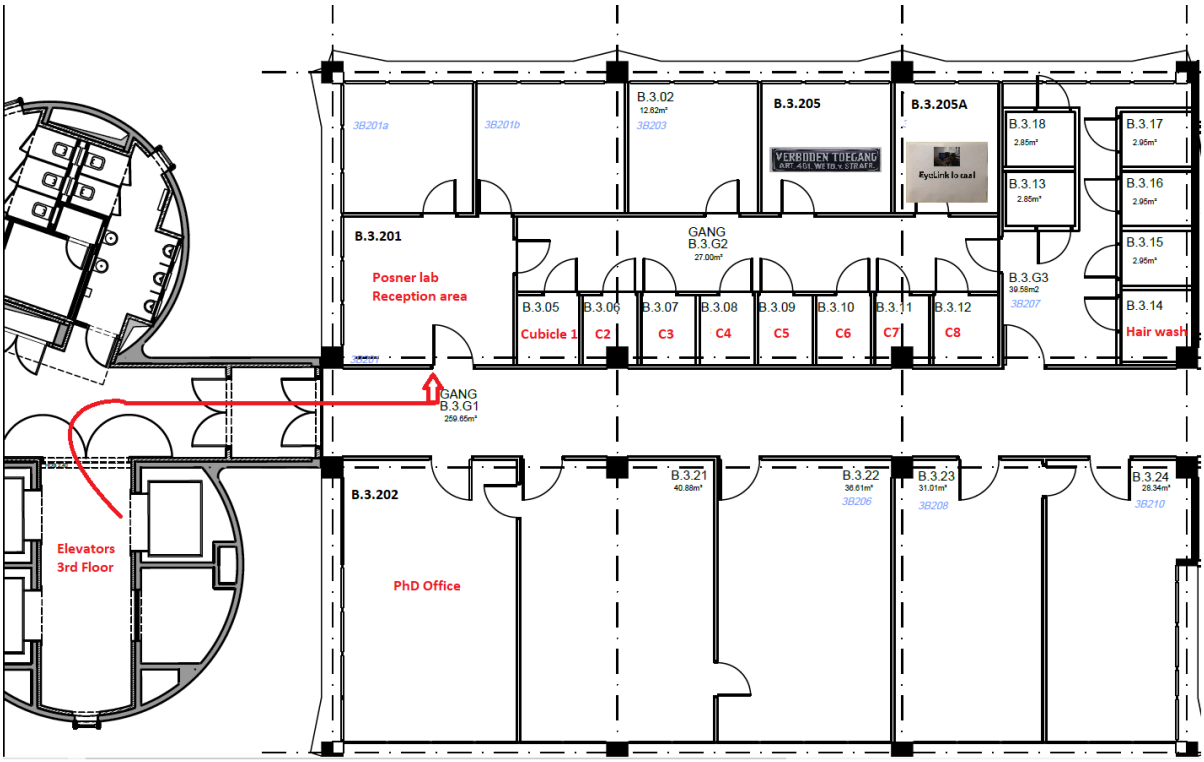

Go up these steps and you will reach the entrance to **Building B** (on the right). On the left is the Library (Centrale Bibliotheek).

The elevators are right in front of the entrance.

Take the elevators up to the **3rd floor.** The Posner lab is situated as shown below:

Go right when you come out of the elevator hallway, then go through 2 sets of double doors. The first door on the left after that is the Posner Lab. (The door directly in front of it is our PhD student office.)
